Ambition

-During the Cultural Revolution, I wore a compulsory sign around my neck: REACTIONARY PIG!--face of a particularly filthy specimen in the photo!

-Great God! And the other professors?

-Their signs more directly to do with excretion.

-How humiliating!

-To most. Some toadies and fools smiled in agreement while parading.

-I opt to be one of THOSE in the Next World. They found the Secret of Happiness!

-Continuous lowering?

-Going along to get along!
